

BUBBLE GUM LIQUID RELEASE

Super Stone® Bubble Gum Liquid Release is a clear or pigmented water repellent liquid material that forms a moisture barrier between stamping tools and fresh concrete, facilitating the release of mats. This material is applied directly on top of the Color Hardener and stamping tools prior to stamping.

COVERAGE

1 Gallon Covers Approximately 150 ft²

5 Gallons Cover Approximately 750 ft²

APPLICATION

Using a pump sprayer, liberally apply a mist of Super Stone® Liquid Release on the colored concrete where you are going to place the next few stamping mats. Do not apply over an area of more than ten or fifteen square feet as the Liquid Release may evaporate before the mats are placed over it. One 5 gallon pail covers approximately 700-800 ft². To maintain the integrity of the color hardened surface, do not trowel or in any way mix the Liquid Release with the surface. To make corrections on the still plastic concrete, use the mat tool and press out the unwanted impression. Super Stone® Concrete Sealer can be applied immediately over the Super Stone® Liquid Release. No removal of the Liquid Release is necessary. When stamping is complete, wash off the Liquid Release from the mats using plain water.

SAFETY PRECAUTIONS

Use with adequate ventilation. A (NIOSH) approved respirator is recommended. Avoid breathing vapor for prolonged periods of time and use gloves to avoid repeated contact with the skin. Do not use near fire or flame. Do not smoke during application. Use only non-sparking tools. In case of fire, use foam, dry chemical or Carbon Dioxide to extinguish.

Avoid contact with eyes, skin, and clothing. First Aid: **Eyes**-- In case of eye contact flush right away with large amounts of water for at least 15 minutes and seek immediate medical attention. **Skin**-- Wash the affected area thoroughly with soap and water. **Inhalation**-- If you experience difficulty breathing, remove yourself from the area to obtain fresh air. If symptoms persist or develop, seek medical attention. **Ingestion**-- Do not induce vomiting. Never give anything by mouth to an unconscious or convulsing person. Rinse out the mouth with water. Get medical attention immediately.

Limited Warranty: *Since no control is exercised over product use, Super Stone® only warrants that this product is of consistent quality within manufacturing tolerances. Seller's and manufacturer's obligation under this warranty shall be limited to refunding the purchase price of the portion of the material proved to be defective. NO OTHER ORAL OR WRITTEN REPRESENTATION OR STATEMENT OF ANY KIND, EXPRESSED OR IMPLIED, NOW OR HEREAFTER MADE IS AUTHORIZED OR WARRANTED BY SUPER STONE, INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
